Monday 20th June 2022

Dear Patient,

I am writing to advise that after 10 long years working at Aldinga Medical Centre, I have made the difficult decision to leave the practice.

My last day at Aldinga will be Friday 22nd July, 2022.

I will be taking a break away from General Practice, so that I can spend some time with my family and unwind from the past 2 years of stressors from the COVID-19 pandemic. I then plan to return to some further studies while contemplating any further career opportunities as they arise.

I would like to thank every one of you for giving me the opportunity to be part of your health care, and hope that I have been able to provide you with a happier, safer and healthier future.

Though I am leaving, I will always have fantastic memories of the Aldinga Medical Centre, and be forever grateful for the learning opportunities they gave me as a junior doctor. The staff are wonderful and I am confident they will continue to be able to provide you all with the medical care that you require.

Thank you once again and wishing you all the very best of health,

Dr Scott Masters
